Incumbent tech limitations

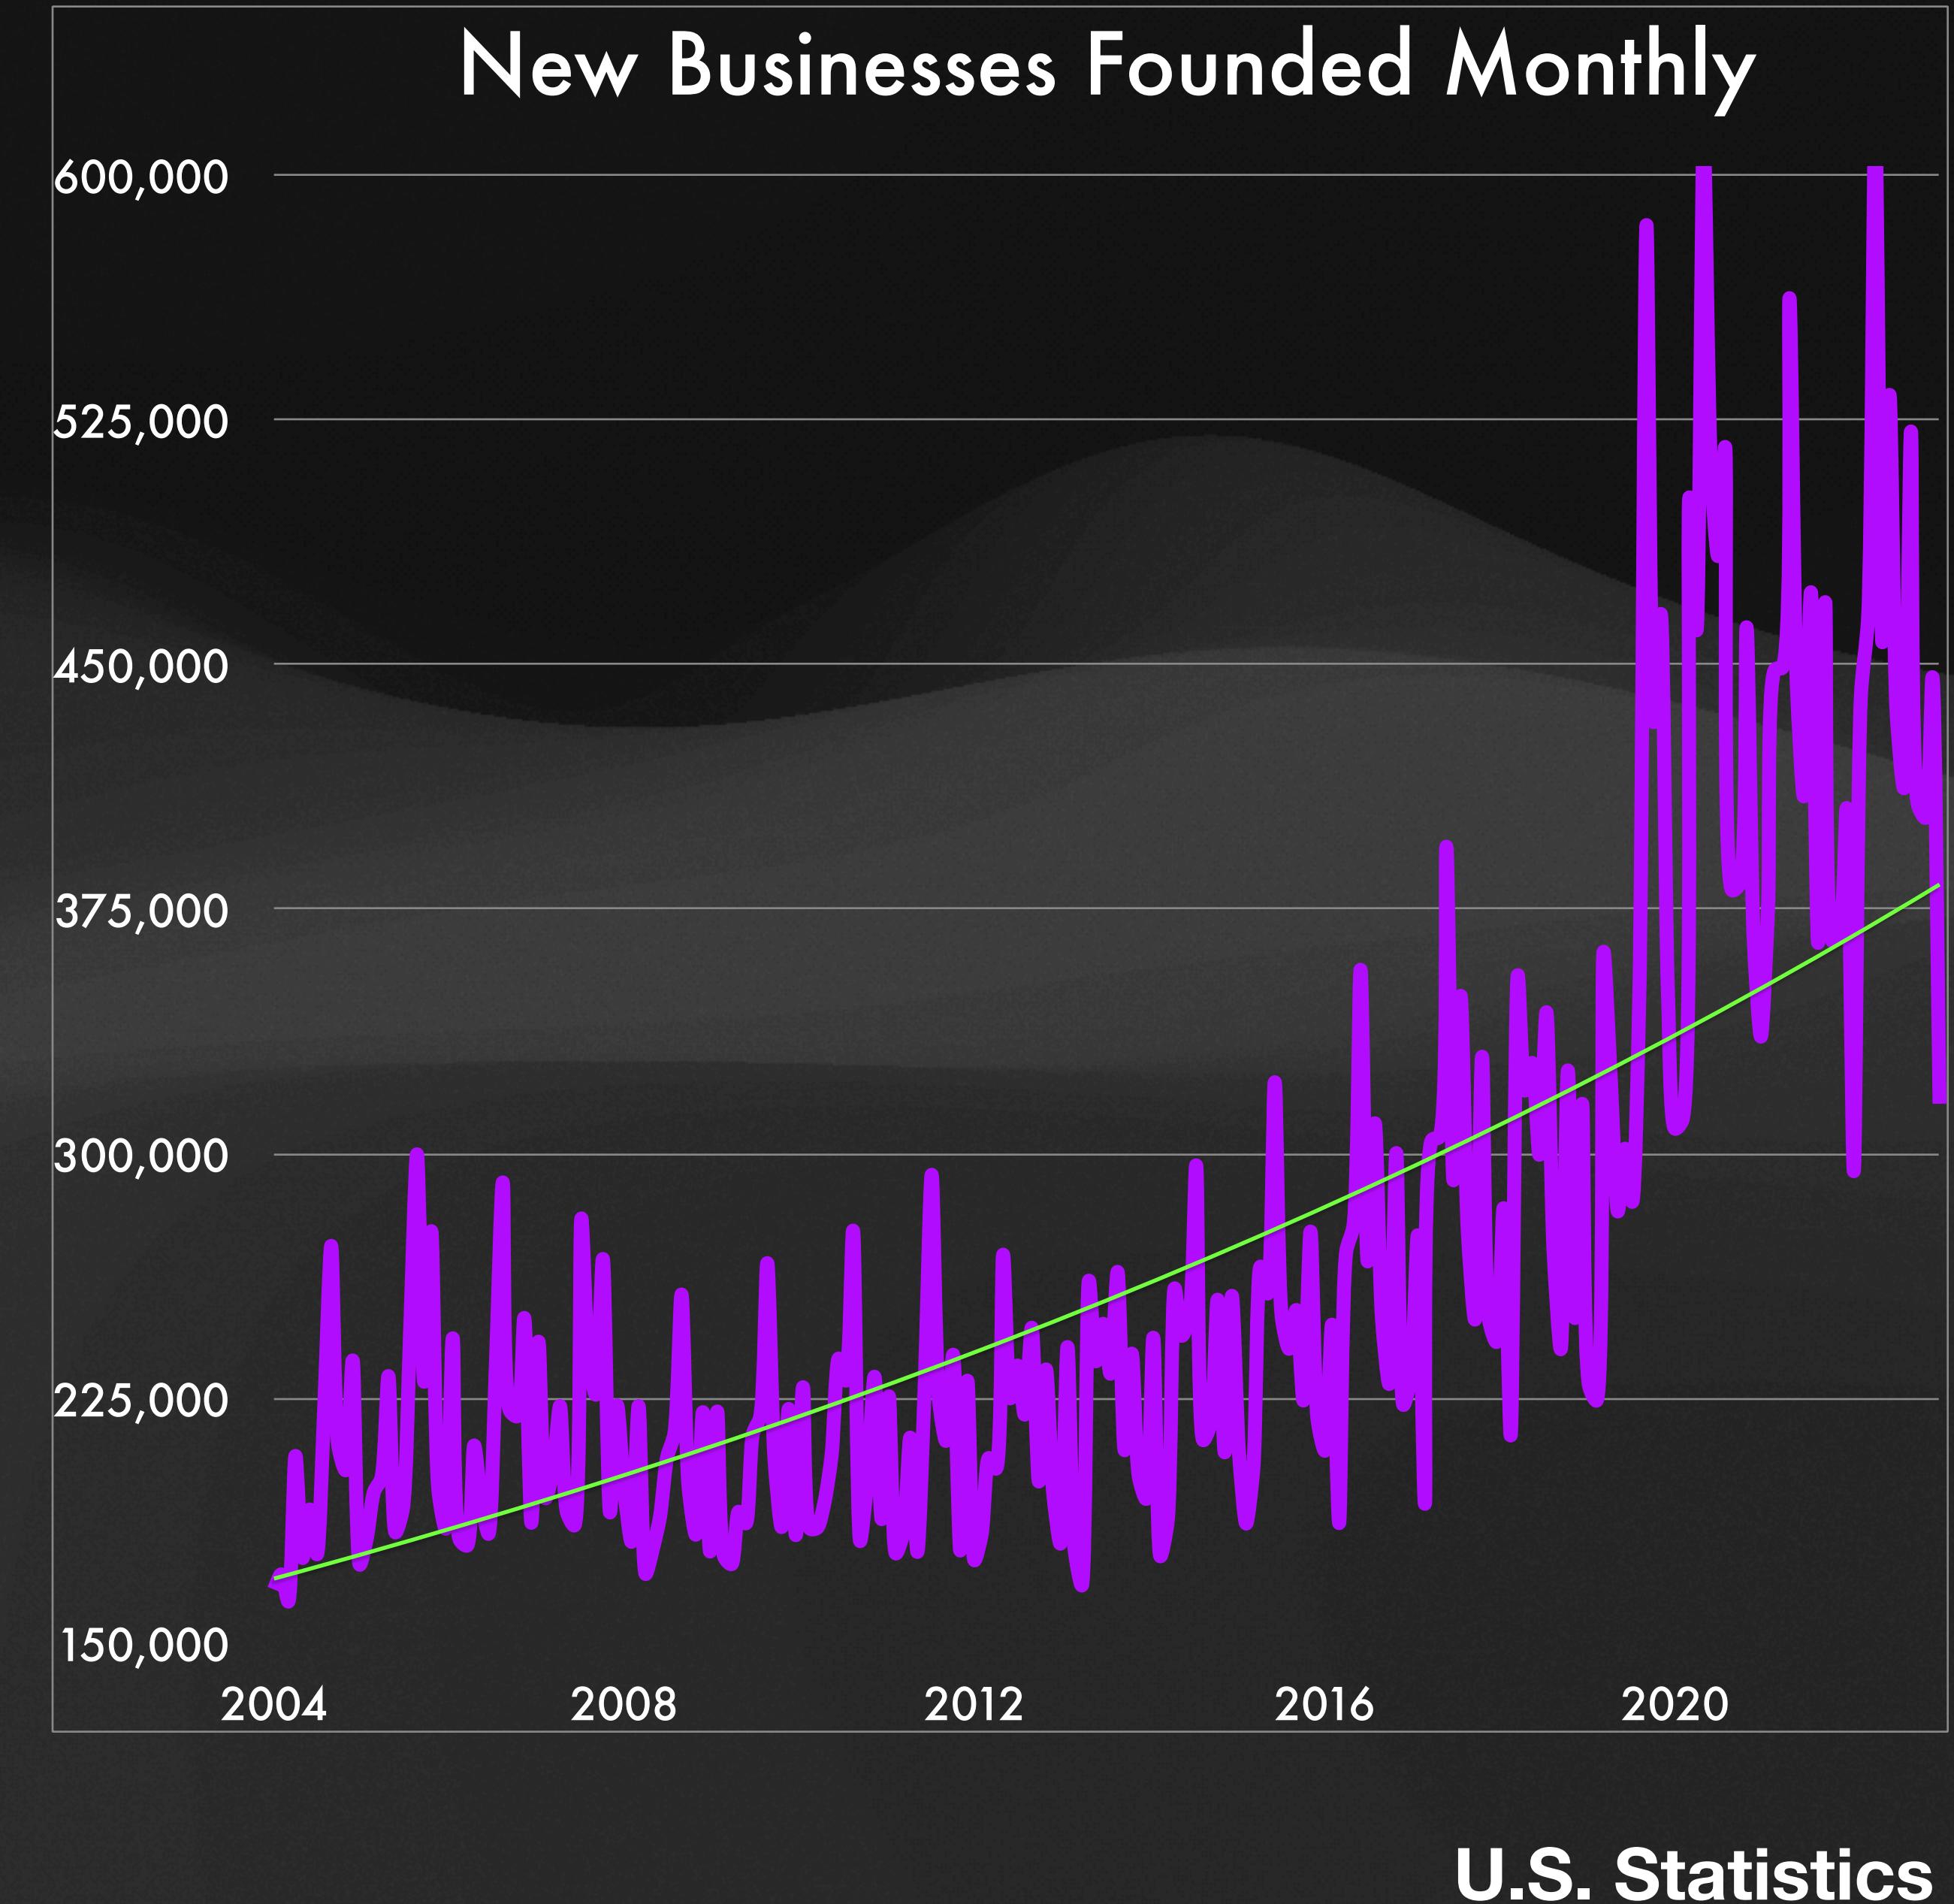

# Replacing Monopolies

We are in the business of disrupting Wall Street

# Web3 Infrastructure for the next innovators

- **Less Job Security, More Ideas:**  
Over 400,000 startups founded per month—double legacy rates.
- **Problem Transforming Norms:**  
41% of founders report adequate fundraising as their top challenge.
- **Minor Capital, Major Potential:**  
79% of bootstrapped founders needed less than \$100,000, with 43% requiring less than \$10,000.

# Existing Solutions

**\$400,000**

**Leading Transfer Agent Annual Fees**

**520 Hours**

**Average Annual Transfer Agent Paperwork**

**Based on interviews with 50 public American CFOs**

Scandals at leading competitor

“This might be the end of @cartainc as the trusted platform for startups.”

**Karri Saarinen**

founded first Finnish company funded by Y Combinator
